## KEEPING IT REAL

Shopping with Vivo means no nasty additives, no false promises, and no overpriced pill popping. Just safe, natural, real food ingredients that really work.

By the end of this year our product range will be  
packaged in 100% home compostable packaging.

# VIVO HQ

All of our products are made in our renewable energy  
powered, certified organic HQ in Glastonbury, UK.

We make all of our products in house to ensure that we  
have full control over every ingredient that goes into  
our products.

We are a proud **carbon netural company**, meaning we offset  
all of our carbon emissions to renewable energy projects  
around the world.

**One Tree Planted**

For every order on our website we  
will plant one tree for the purpose of  
reforestation, agroforestry and reducing  
extreme poverty for local villagers.

## WHAT OUR CUSTOMERS ARE SAYING ...

## AM-A-ZING

I am delighted. Organic and as healthy as it gets, waaay better in terms of solubility than other vegan powders, nice design, which I value, and a handwritten thank you note. Just PERFECT

*Patrick I.*

## GREAT PRODUCT, GREAT COMPANY, GREAT TASTE

Vivo have nailed it with the range of products on offer.  
Everything is 5\* - I can't fault anything.

*Gary*

## GREAT AS ALWAYS!

Without a doubt the best tasting supplements, around and the best results! I wont use anything else now.
